

Dear {{FirstName or 'friend'}},

Now that HB140 (the Ron Silverio/Heather Block End of Life Options Act) has passed through the House chamber, we are headed to the Senate for a public hearing. We need YOUR help in this critical moment for the campaign.

EMAIL YOUR SENATOR

Far too many people are disregarded or abandoned in their final moments, but because of you, we're here to make sure they're honored until the very end.

The Senate Executive Committee could vote on the bill, which would authorize medical aid in dying for terminally ill adults in Delaware, as soon as next week! With things moving quickly, there is limited time to contact your Senator before they take a vote on this bill.

[Can you take a moment RIGHT NOW to contact your Senator and share why you support medical aid in dying?](#)

With Gratitude,

Heather

Dear {{FirstName or 'friend'}},

We are hearing reports that the opposition is flooding Senators' inboxes and phone lines in advance of Wednesday's hearing for HB 140, the Ron Silverio/ Heather Block End of Life Options Act. While we hope that lawmakers will hold strong in support of medical aid in dying in the First State, we need to show them just how much Delawarians want and need this compassionate option.

Will you take action today by contacting Senate leadership who need to hear about your overwhelming support for HB 140?

TAKE ACTION

Once you're done, share this with people in your life who also support medical aid in dying. We need as many people as possible contacting lawmakers between now and Wednesday.

I'll be in touch after the hearing with an update on where we stand. Thanks so much for all you do to empower everyone to choose end-of-life options that reflect their values, priorities and beliefs.

Yours,

Heather

Dear {{FirstName or 'friend'}},

Great news from Dover: the Senate Executive Committee just passed HB 140, the Ron Silverio/Heather Block End of Life Options Act, out of committee by a **5-2** vote! The bill now moves to the full Senate for a floor vote.

Will you contact your Senator and urge them to vote YES on this compassionate bill when it comes to the floor for a vote?

TAKE ACTION

Thank you for your fierce support and advocacy. We are so close to passing this bill, and we would not be here without all the phone calls, emails, stories and legislative meetings you have contributed to this campaign.

I'll be in touch once the Senate vote is scheduled.

With Gratitude,

Heather
